**WHY**

# Plain Language?

## The Project

We create materials in plain language.

## The Goal

We help young learners with special needs to enter the labour market.

## The Results

A guide in plain language.

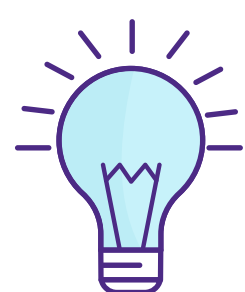

Video Interviews .

**Everybody understands plain Language.**

**Understanding is important.**

**If you understand:**

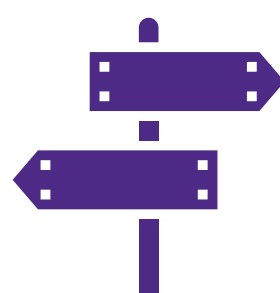

**You have information.**

**You learn new things.**

**You know your rights.**

**You make your own choices.**

**You can be active.**
